

GP January Kids

Great job on the Christmas play, GP Kids!! We are so encouraged to hear you tell us about Jesus! Hallelujah! We're so proud of you! Check out the play [here](#)! (Starts at 7:05 and finishes at 19:30)

May God bless you in 2025!!

GP's reading plan, Daily Bread, begins January 1st in the book of Joshua, pages 312 and 313, of The Daily Bible (pictured above). In 2024, Project 51 covered Genesis, Exodus, Leviticus, Numbers, and Deuteronomy (the Pentateuch). These books tell us the story of creation and Jewish history -- from their slavery in Egypt, to their escape, to their preparation to enter the Promised Land after wandering in the wilderness for forty years. Our 2025 readings begin in Joshua -- the time of the conquest. We will read two pages a day. Check out the website for the reading schedule or grab a hard copy next time you're at the building.

Wednesdays - Bring your own dinner! Come early for fellowship and dinner at 5:30PM in the kitchen!

01.01.25 - There will be no activities at the building. Happy New Year!

Families of littles, please put your child's name on your nursery bag for volunteers. So thankful you and your littles are at GP!!
